GENERAL INFORMATION

Guarantee

Every animal in the sale is to the best of our knowledge free from any disease or defect. Animals failing to breed may be returned within 6 months to the farm if they comply with the State Health requirements. The seller reserves the right to try said animal for 6 months and if it proves to be a breeder, to return same to the farm of the purchaser at the purchasers expense. If the animal proves to be a non-breeder, the purchase price will be refunded, an equal animal substituted or a satisfactory settlement made.

Terms

Every animal will be sold to the highest bidder. The terms of the sale will be cash. The Auctioneer will settle any disputes as to bids. Each animal will become the property of the purchaser as soon as sold, and will be taken care of for a reasonable time after the sale, at the purchasers risk of injury or loss.

Health

State Health requirements are usually set by the Breeding Association that is sponsoring the sale. However, in order to be eligible for Purebred Sale or Inter-State Shipment, the animals offered for sale must originate from a herd that has passed a negative Tuberculosis and Brucellosis within the previous 12 months and in addition must have passed a negative Brucellosis test within 30 days of the sale date. All non-vaccinated heifers and vaccinated heifers over 24 months of age are required to be tested.

Welcome

The following breeders are offering a small quality consignment of Shorthorns and Polled Shorthorns. Twelve choice steer prospects are selling and a few heifers of the right age for club projects. In addition there are a few bulls and bred females. We extend a cordial welcome to all attending the sale.
